## JULY 7 - 11

### GOTLAND BADMINTON FEDERATION INVITES ALL BADMINTON PLAYERS TO PARTICIPATE IN GOTLANDSSPELEN

Take your family and friends along and enjoy a wonderful summer week on Gotland.

### SWEDEN'S ONLY SUMMER COMPETITION IN BADMINTON.

### NOW WITH AN INTERNATIONALLY HIGH CLASS STARTING FIELD.

Welcome to Sweden's only international competition in badminton during the summer. Gotlandsspele (Gotland Badminton Tournament) will now be held for the 29:th year. Gotlandsspele is scheduled week 28, which means you will be visiting Visby during the nicest time of year. Experience and enjoy countless possibilities of recreation including the sun, beaches, the sea and culture. Gotland is well known as one of Sweden's best entertainment attractions. Last year the games were visited by 250 participants from 5 countries. A wide span of players, from professionals to amateurs, youth and veterans, all competed in the tournament. We hope the interest for the competition will be at least as high this year.

Even this year Gotlandsspele will be held in Wisby Rackethall. One of Sweden's most beautifully located gymnasiums with a breathtaking view of Baltic Sea. The gymnasium is centrally located north of Visby old town. If you care to go for a swim nearby, Norderstrand or Gustafsvik, is within walking distance. Thanks to the unique landscape, the excellent sandy beaches and the constant presence of the sea. As well as the exquisite light and the many hours of sunlight on the island. Most people associate Gotland with holidays, sun and water fun. We have fabulous waterfronts, and Gotland always comes near the top in Sweden for hours of sunshine in summer. The island has a lot more than that to offer, but it's undeniable that the seashore and water are key elements of many a summer holiday. And no one need be disappointed – everyone can find a favourite spot somewhere along the 800 km of Gotland's shoreline.
